A customer

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I protest the current rate increase for Duke Energy. They have had already 2 increases since 2010 and this increase is unfair! This makes it especially hard for those of us on fixed income - every penny added is a burden!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I would like to, but not possible
